

Triangular Peyote Bracelet

This bracelet is made using Delica beads and Swarovski Crystals. Each triangle is beaded and then they are all joined together to form the bracelet. A sliding bar clasp is used to close the bracelet. This clasp keeps the bracelet flat and prevents flipping.

Delica beads come in a range of colors and finishes. Please specify a color range (4-5 colors) and texture you desire. Matt finish, silver lined, opaque, etc.

Due to the exorbitant cost of precious metals, findings will be base metals unless otherwise requested. The total price of the piece will be adjusted accordingly.

NOTE: *Bracelet will be created using color range requested. Exact color combination will be left to the discretion of the artist and will be based on availability.*

There are no refunds on custom orders.

ORDER FORM:

TO ORDER: Please submit the following information via e-mail (DMArtWorks@iapc.net) to get your order started. A Pay Pal money request will be sent to you prior to bracelet construction.
